Dan Meier

Denver, CO • danielstevenmeier@gmail.com • (983) 456-9182

Actively seeking relocation • Available July / August 2026 • Open to trial period

OBJECTIVE

Dedicated and physically fit professional seeking roles in outdoor operations, field logistics, and land stewardship. Background in high-endurance labor and D1 athletics, with a focus on supporting world-class adventure destinations and remote operations.

CORE COMPETENCIES & GRIT

Technical Maintenance: Proficient in landscaping, hardscape installation, and irrigation management.

Equipment Operation: Skilled in operating mowers, trimmers, and property maintenance machinery.

Physical Endurance: Proven "all-weather" stamina; accustomed to 8+ hour shifts of high-intensity labor.

Operational Reliability: Over a decade of self-managed professional work; punctual, autonomous, and a fast-learning team player. **Possess a valid driver's license with a clean record.**

RELEVANT WORK EXPERIENCE

Field Operations & Logistics | Driver & Bike Courier — Denver, CO

Mar 2025 - Present

- Maintain a 100% on-time delivery record through route optimization and time management.
- Operated long shifts in all weather conditions, demonstrating high-level physical resilience and discipline.

Landscaper (Seasonal) — Aston Landscaping and Dan Druffel Inc, Ohio

2009 - 2013

- Operated landscaping equipment and maintained site aesthetics for professional properties.
- Executed full-scale planting, mulching, and hardscape installations in a high-output, team-based environment.

Irrigation Specialist (Seasonal) — Athens Golf Course, OH

2010

- Managed water distribution systems to ensure peak operational efficiency for high-traffic environments.
- Troubleshot and repaired critical infrastructure, including control pumps, timers, and valves.

Warehouse Associate (Seasonal) — Amazon, CO

2024

- Performed physically demanding work in fast-paced environment
- Met productivity targets and followed safety protocols

ADDITIONAL EXPERIENCE

Freelance Designer & Contractor (Self-Employed)

2018–Present

- Managed a decade-plus of professional client contracts, requiring strict adherence to deadlines, technical adaptability, and clear communication.
- This professional background ensures high-level accountability and the ability to interact professionally with high-end guests or stakeholders.
